

During this age of ZOOM classes and remote learning opportunities, ILR has created a YouTube channel where previously recorded class sessions may be viewed in case you miss a class or want to take another look.

The recordings are being up-loaded to YouTube within a few days of the presentation and will remain on YouTube through the following semester.

STEP-BY-STEP INSTRUCTIONS

1. Type in www.ilr352.org to reach the ILR Home Page.
2. Click on the “Links” tab and then on the “ILR YOUTUBE PAGE” link in the drop-down menu.
3. Then click on the link displayed and you will be taken directly to the ILR You Tube Home Page.
4. On the Home Page, click on the tab “Playlists.” This will show you all the courses for which we have recorded lectures.
5. Find the course you are interested in, and then click on “View Full Playlist” at the bottom of the course panel. This will display all the recorded lectures for that course. Click on the lecture you wish to see... and off you go.

To return to “View Full Playlist,” menu, click on the black arrow pointing left, in the upper margin. You can now repeat the process to view other lectures for that or other courses.
